All,

Attached is the most recent updated PLT messaging that incorporates both the Federal and Provincial Emergency Orders. This is consistent with messaging being used for the City of Ottawa.

Of note for any convoy that you may encounter, as per Section 4(1):

Persons traveling to any other unlawful protest sites to participate in or support the unlawful demonstration can be charged.

Be aware that legislation now prohibits interference with any critical infrastructure including 400-series highways, railways, airports and international border crossings.

Please utilize this most recent messaging in your planning.

Chuck
